

Targeted Youth Support Service Testimonials

Hear what our service users have to say about the Targeted Youth Support Service.

'Since Paula has been working with her she has attended college nearly every day. She meets Paula every Wednesday for a catch up. She feels happy and relaxed when she is with Paula.'

M really likes you Harriet [TYSS worker], that is huge for him. He feels he can be honest and open with you.'

'She came home in much better spirits after talking with you yesterday, she said how lovely you were.'

"Thank you for the calmed, respectful, funny if required & friendly conversations you have with M. And thank you that you are listening and trying very hard to help us."

'TYSS worked with the young man to find some potential interests and made arrangements to attend local football sessions.'

'He looks forward to your visits and he enjoys them, I can tell by the way he acts before you arrive and when he gets back he is relaxed.'
