## About the site

Oxfordshire's website for young people provides information about support available for young people in Oxfordshire. It includes help to stay in learning, get support you need, and progress successfully to your first job.

As well as information on healthy lifestyles, mental health, and more, you can also browse a database of hundreds of apprenticeships and other opportunities perfect for younger job-seekers.

Services on the website include:

- Register your post-16 learning destination - [www.oxme.info/register](http://www.oxme.info/register)
- Sign up for our weekly Hot Jobs newsletter - <http://eepurl.com/jC9ur>
- Register as NEET (not in education, employment, or training) and request support - [www.oxme.info/neet](http://www.oxme.info/neet)
- Request support from the Targeted Youth Support Service – [www.oxme.info/tyss](http://www.oxme.info/tyss)

Oxme.info also has lots of information – about health for young people, staying safe, finding activities, e-safety and more. If young people have questions or are seeking more information, you can leave a message and the team will reply the next working day.
