

## YOUTH MORE

## CARE FOR THE FUTURE

Youth Voice (formally Children in Care Council CiCC) helps us improve services for children and young people in care, those leaving care and those who have a social worker to help and support them

We want to hear your views and we promise to take you seriously

If you wish to be involved, you could come to our forums and events, or just tell us how things are going for you!

Please contact us using this QR code

or speak to your Social Worker or Personal Advisor
