Oxfordshire Supported Internship

A supported internship is a college course and work placement where you will learn skills to help you get a job.

How does the internship work?

It starts in September and ends by July.

You will spend 3 days a week in your work placement.

A work placement is the place where you learn to do a job.

A work placement could be at a bakery, at a garden centre, in an office or at any work place.

You will spend 1 day at the college.

You will have 1 day off.

When it ends, Oxfordshire Employment will help you get a paid job.

To apply for a supported internship you need to:

Have a learning disability

Be 16 to 24 years old.

Go to a college that offers Oxfordshire Supported Internships.

Have applied for an Education and Health Care Plan.
We can help you with this.

How to apply:

Meet with one of our advisors to fill out a form.

Phone **01865 815 809** to arrange a meeting.

What is it like to be on an internship?

I was nervous at first but I soon started to feel confident in my placement.

My supporters were friendly and helped me to settle in.

It helped me to learn new skills.

There was always someone around to talk to if I had a problem.
