

## Our duty

Oxfordshire County Council has a responsibility to support young people by providing guidance and information in relation to education, employment and training, and by keeping in touch until the September after their 18th birthday.

If you have an EHCP or are care experienced, we can continue to offer support until you turn 25.

Our aim is to empower young people to reach their full potential and improve their life chances by providing accessible services that target the most vulnerable and support those needing direction.

## Get in touch

## EET Support in Oxfordshire

A guide to the support available for young people who are unsure where they are learning or training post-16

[oxme.info](http://oxme.info)

## What does EET mean?

All young people should participate in education, employment or training (EET) until age 18. This could be at school, college, or work with training like an apprenticeship.

The EET Service is here to help you explore your options and access support with planning your next steps.

Our EET Workers are based throughout Oxfordshire.

Read what the law says about school leaving age:

## Step 1: Visit [oxme.info](http://oxme.info)

- Information around education
- Work opportunities
- Health and wellbeing guidance

Visit us: [www.oxme.info](http://www.oxme.info)

## Step 2: Request support

Support can be through a range of options including:

- In-person visits
- Helpline guidance
- Email advice

Call: 01865 328460

Email: [oxme@oxfordshire.gov.uk](mailto:oxme@oxfordshire.gov.uk)

## Step 3: Signposting

- Understanding your options
- Local support services
- CV writing and application support
- Interview skills and preparation

We must have your consent before we start 1-1 work.

## Step 4: Ongoing contact

Help could be a one-off meeting, phone call, or you might work with one of our EET case workers while you explore your options and get guidance with planning how to reach your goals.

We also get in touch every 30 days with all young people aged 16–18 who are not in education, employment or training (NEET) to offer assistance.

If you have an EHCP or are care experienced we can keep helping you until you're 25.

## Step 5: Change of plans

If a job, school, college, or other learning placement doesn't work out, we can offer support to help you get back into work or learning.

You can tell us if you are NEET by letting us know on the [oxme](http://oxme.info) website. [www.oxme.info/neet](http://www.oxme.info/neet)
